# DECLARATION OF AUTHORSHIP

This is to certify that the minor project entitled "**Natural Language to OKS Query Translation Module**" submitted for the degree of Bachelor of Engineering in Computer Engineering comprises our original work and no part of this work has been used for the award of another course or degree. We declare that this work is our own. If any part of the work is not our own, we have indicated it by acknowledging the source of that part or those part of the work with proper citations.
